YOUNG  LEAD

## WHAT IS YOUNGLEAD?

The YoungLEAD project aims to guide teachers and other school staff in fostering interpersonal skills, in particular leadership skills and the internationalization of EU values, among children aged 11-16 from disadvantaged and migrant backgrounds. It is very important for children to develop leadership skills and understand the values of democracy, inclusion, responsibility and other social skills for their future life, especially when it comes to children who feel they do not belong to their group or environment.

## RESULTS

1. A **METHODICAL GUIDE** for educators
2. **EDUCATIONAL GAMES** that encourage the development of leadership skills
3. Open digital educational resources in the form of learning nuggets
4. One platform for all OER materials and resources.

The initial meeting took place on January 10 and 11, 2024 in Prague (Czech Republic). Representatives from the Czech Republic, Ireland and Spain attended the meeting.

It was a very fruitful meeting in which we discussed management issues while we agreed on the distribution of tasks and shared the hope of carrying out together such a beautiful project on leadership in schools.
